"We're excited to open our 21st store in Florida as we continue to expand patient access via our high-quality products across the Sunshine State," said Green Thumb President Anthony Georgiadis. "We look forward to meeting the patient community and our new neighbors at our upcoming grand opening event on December 13, where we will support the local organization Florida Rights Restoration Coalition (FRRRC)."

FRRRC is a grassroots organization dedicated to ending the disenfranchisement and discrimination against people with previous convictions. Driven by the needs of citizens negatively impacted by the carceral system, the organization strives to create a more comprehensive and humane reentry system that will enhance successful reentry, reduce recidivism and increase public safety.

RISE Dispensary Orlando on Good Homes Road will celebrate its opening with patients and the community on December 13. The event will include a ribbon cutting ceremony with the West Orange Chamber of Commerce, followed by a celebration featuring product deals, merchandise giveaways and bites from SMAC Food Truck.

Green Thumb became a part of the Florida cannabis community in 2018 and currently operates two production facilities in Ocala and Homestead, where it grows and manufactures its branded products. The company is dedicated to upholding the highest quality standards in cultivation and production, ensuring that each product delivers a consistent, true-to-plant experience. In addition to the new RISE Orlando Good Homes Road location, there are 20 other RISE Dispensaries in Florida, including stores in Bonita Springs, Brandon, Clearwater, Crystal River, Deerfield Beach, Dunnellon, Fruitland Park, Hallandale Beach, Jacksonville, Kendall, New Port Richey, Oviedo, Pinellas Park, Port Orange, Sun City Center, Tallahassee, Tampa, Wesley Chapel, and West Palm Beach.

Green Thumb recognizes the challenging circumstances many Florida patients, team members and neighbors are experiencing in the aftermath of Hurricanes Helene and Milton. We remain committed to giving back to the communities in which we serve. Impacted Green Thumb team members have access to the Company-funded Employee Relief Fund (ERF), which allows Green Thumb to financially support team qualifying team members during times of crisis and/or extreme hardship.
